EXAMINER'S COMMENT

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

It does not have a signature of the inventor.

Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth above. The substitute oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Prior arts of record does not disclose a system for measuring a height of an object. The system comprises: a first electromagnetic signal for transmitting a first signal to a first position of the object at a first angle; a first retro-reflection unit for reflecting a first single reflected signal, wherein the first single reflected signal is a portion of the first signal that reflects off the object; a second electromagnetic signal for transmitting a second signal to the first position of the object at a second angle; a second retro-reflection unit for reflecting a second single reflected signal, wherein the second single reflected signal is a portion of the second signal that reflects off the object; a first and a second position sensitive detectors which structurally arranged and functionally operated as claimed in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu T. Nguyen whose telephone number is (571) 272-2424. The examiner can normally be reached on T-F 7:30-5:30.
